

Tylö fragrance dispenser

Convenient and user friendly fragrance dispenser

Tylö fragrance dispenser lets you enjoy aroma baths where you can truly sit back and relax. The fragrance dispenser is now available as an option for your steamer and is easily connected to the outlet pipe. The control panel makes it easy for you to manually set how large volumes fragrance fluid to be input and for how long. You decide freely how and when the fragrance dispenser should give the sauna an enjoyable and lasting fragrance. The control panel contains an LCD display with LEDs for both fault indication and operating mode. The fragrance dispenser can be plugged into a standard wall outlet.

Internal dispenser: capacity of 170 ml / min, pressure 2 bar, the outer diameter of 8 mm, inner diameter 2 mm

Dispenser House dimensions (W x D x H, mm): 80 x 90 x 100
(Art. 9090 8012)
