

# Tylö towel warmer.

## Stylish and practical towel warmers.

Like other Tylö product our new towel warmer has a stylish design that really fit into the contemporary bathroom. The towel warmer is available in both black and white and has chrome details, and room for five towels. The towel warmer is for standing installation only which makes it easy to fit on the bathroom wall. The integrated LED lights gives a rich atmosphere throughout the day and without any doubt this is both a convenient and aesthetic solution.
